

Indian Society of Animal Genetics and Breeding

M 31, First Floor, Sector-41, South City-1, Gurugram-122001 (Haryana)

Chief Patron

Dr. V.K. Taneja, Former DDG (AS), ICAR and
Ex. Vice Chancellor, GADVASU, Ludhiana

Patron

Dr. T.J. Rasool, Director, Camel Biotechnology
Centre, UAE and Former ADG (AP&B), ICAR
Hqrs., New Delhi

President

Dr. B.P. Mishra, Director, ICAR-NBAGR, Karnal

Vice President

Dr. Vineet Bhasin, Former Principal Scientist
(AG&B), ICAR Hqrs., New Delhi

Secretary

Dr. Vishesh Kumar Saxena,
Dir (Res), BASU, Patna

Joint Secretary

Dr. P.K. Rout, Principal Scientist,
ICAR Hqrs., New Delhi

Treasurer

Dr. M.S. Tantia, Former Principal Scientist,
ICAR-NBAGR, Karnal

Executive Members

Dr. Archana Verma, Former Head, Division of
Cattle Breeding, ICAR-NDRI, Karnal

Dr. Umesh Singh, Head, ICAR-CIRB, Hisar

Dr. Anil Kumar, Professor, College of
Veterinary and Animal Sciences, KVASU,
Mannuthy, Kerala

Dr. D.V. Singh,
Retd. Prof. (AG&B), GBPUAT, Pantnagar

Dr. S.C. Mehta, Incharge, Equine Breeding
Centre, ICAR-NRC on Equine, Bikaner

Dr. Sushil Kumar Chaturvedi,
Principal Scientist (AG&B), ICAR-CIRC, Meerut

Dr. R.S. Kataria, Principal Scientist (Animal
Biotechnology), ICAR-NBAGR, Karnal

Dr. H.K. Narula, Principal Scientist (AG&B),
ICAR-Hqrs., New Delhi

Dr. Monika Sodhi, Principal Scientist (Animal
Biotechnology), ICAR-NBAGR, Karnal

Dr. A.K. Pandey, Principal Scientist (AG&B),
ICAR-IVRI, Izatnagar

Dr. U. Rajkumar, Head & Principal Scientist
(AG&B), ICAR-DPR, Hyderabad

Dr. Thiruvankadan A K, Professor, TANUVAS,
Chennai

Dr. Vikas Vohra, Head, Division of Cattle
Breeding, ICAR-NDRI, Karnal

Dr. S. Banik, ICAR-ERS-NDRI, Kalyani

Dr. Amit Kumar, Senior Scientist (AG&B),
ICAR-IVRI, Izatnagar

Dr. K.N. Raja, Senior Scientist (AG&B),
ICAR-NBAGR, Karnal

Dr. Firoz Din Shekh, Incharge, KVK, SKUAST, Leh

Dr. Manoj M., Assistant Professor, Kerala
Veterinary and Animal Science University,
Mannuthy

10th January, 2024

Dear ISAGB Life Members,

Greetings from ISAGB!

At the outset, I extend New Year Greetings to each one of you! May this year bring you joy, warmth, and happiness.

As you know that Indian Society of Animal Genetics and Breeding (ISAGB) is playing pivotal role in promoting scientific knowledge and technological advancements in the field of Animal Genetics and Breeding in the country. The ISAGB in collaboration with ICAR NBAGR, Karnal and ICAR-DPR, Hyderabad had organized three highly successful National Conferences (ISAGB-21, ISAGB-22 and ISAGB-2023) and Annual Conventions of the society. The overwhelming response during these conferences was very heartening for all of us. I appreciate the commendable efforts of all the office bearers of the society and organizing team for making these conferences and conventions a grand success.

In this spirit of society's progress, I am pleased to inform that ISAGB has initiated another important activity in 2023 by organizing two highly successful events under "Distinguished Lecture Series", by inviting eminent speakers of national and international repute. Such activities are expected to promote research and provide young researchers a platform where they can learn about the remarkable achievements that shape the landscape of animal science. Another notable achievement of our society in recent years was the development of ISAGB website (<http://www.isagb.org>). All possible information regarding ISAGB activities & objectives, past meeting & conferences, office bearers, ISAGB journals, awards and several other activities of the society is available on the website. Further ISAGB took up the issue of AG&B course curriculum in VCI syllabus.

I take this opportunity to request all of you to contribute actively for revival of our society journal (Indian Journal of Animal Genetics and Breeding) by contributing quality articles. I'm sure, the process for publication of the first issue of Indian Journal of Animal Genetics and Breeding will be completed soon.

As all of you know that society is also recognizing the outstanding contribution of our scientists through prestigious ISAGB Fellow and motivating the young researchers by conferring PN Bhat Best Paper Award, and ISAGB - Young Scientist awards. These activities are helping our society to grow continuously as several new life members have joined the society in recent times. I hope that with continuous support of all of you, ISAGB will keep growing and more and more life members especially the young researchers will be motivated to join ISAGB in times to come.

Looking forward for your continued support in promoting and strengthening our esteemed society through active participation in various events organized by the society.

Wishing you and your families a joyful and a prosperous New Year 2024!

With best regards,

Yours sincerely,

(B P Mishra)

President

Indian Society of Animal Genetics and Breeding
