Guidelines for Abstract Submission

1. The abstract should include the title (in title case) in first line; full names of author(s) in separate line; location where study was carried out in third line (in title case and in italics), if there are more than one Institute where study was carried then please indicate it using same superscript bearing authors name and respective institution.
2. The name of the presenting author needs to be underlined.
3. Please include a separate line of e-mail for correspondence.
4. The abstract should be typed in single space, one inch margin, in Times New Roman with 12 font size.
5. The abstract should be limited to 250-300 words (highlighting the salient achievements of work).
6. The acceptance of abstracts will be communicated on time.
7. Authors of selected abstracts will be encouraged to publish full length research article in the Indian Journal of Animal Genetics and Breeding.

Mode of Presentation

The abstracts received under each technical session will be evaluated by expert committee for oral or poster presentations. For each oral presentation, the participants will be given 7-10 minutes for presentation & deliberation. For poster presentation, the participants are required to prepare the poster in 4 x 3 feet format and send the pdf file of the same to the organizers well in advance for evaluation.

Awards

Pushkar Nath Bhat Best Paper Award

Indian Society of Animal Genetics and Breeding has introduced the coveted "Pushkar Nath Bhat National Award for Animal Genetics & Breeding" in 2019 for the best paper award published in preceding year in the areas of Animal Genetics including Molecular Genetics and Animal Breeding having highest impact factor. The award includes a cash award of Rs. 5000/- (to the first author) and a certificate (to all authors). Any Indian Scientist working in India and who is a member of ISAGB and below 50 years of age can apply. Participants desirous of competing for the award should attach a copy of their printed paper published in year 2021 along with their registration for the conference. The nominations will be judged by a special committee constituted by the society and the decision of the committee will be final.

Best Poster and Oral Presentation Awards

There will be a number of awards for oral and poster presentation to encourage researchers to carry out novel excellent piece of research works having immense practical implications. Awards will be selected from the posters and oral presentation presented physically during the conference and will be evaluated by an expert committee. There will be three prizes for each session for both oral and poster presentations.

ISAGB Young Researcher award

The ISAGB Young Researcher award is open for Master, doctoral, post-doctoral, research fellows, research associates and young scientist. The candidate should be the ISAGB life member. The candidate age should not exceed beyond 35 years. The eligibility age will be calculated on the 1st January of the year of conference. The abstract submitted for the award should be from Master/doctorate thesis/ or research project of the young researcher. The candidate must be the first author of the abstract. The presentation should strictly be as per the contents of abstract published in the conference/symposium compendium. In case of any discrepancy the decision of chairman of evaluation committee will be final.
